EXPERIENCE

INTERNSHIP

- Assisted in developing responsive web pages using HTML, CSS, and JavaScript
- Built and updated user interface components for websites

EDUCATION

M.Sc. Computer Science
Periyar University
2024 - 2026
82 / 100

B.Sc. Computer Science
Bharathiyar University
2021 - 2024
83 / 100

PROJECTS

Online Exam Proctoring System with AI and Smart Notes Generator

- Developed an AI-powered online exam proctoring system, integrating real-time anomaly detection and smart notes generation to enhance academic integrity
- Implemented computer vision and machine learning algorithms using Python

Android Battery Saver System

- Developed an Android Battery Saver System through optimized background process management and adaptive screen brightness algorithms
- Implemented advanced power-saving modes, reducing idle power consumption by 15% and extending active usage time by 2 hours on average

SUMMARY

Highly motivated and adaptable individual passionate about full stack development. Eager to launch a career, quickly learning new technologies and applying foundational problem-solving skills to build efficient web solutions. Dedicated to continuous improvement and contributing to innovative projects within a dynamic team environment
